

TLB Rifle Scopes Series

Sharpness – made by Kaps

Luminous point in the detail view

Kaps TLB Series

For over 50 years, our motto has been: *By hunters for hunters!* For this very reason, we manufacture rifle scopes of the highest class. Thousands of satisfied hunters worldwide profit from our many years of experience in the construction of rifle scopes. Our new daylight reticles are optimal for unfavourable lighting conditions and are put to the test every day by passionate hunters.
